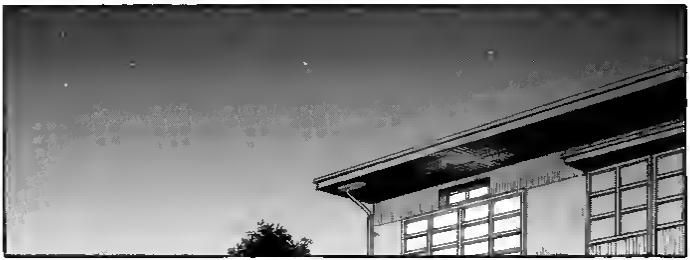
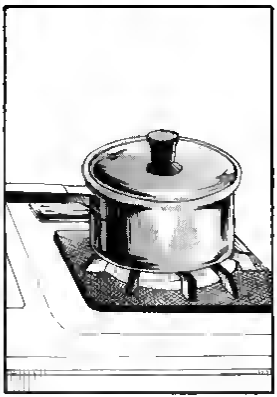
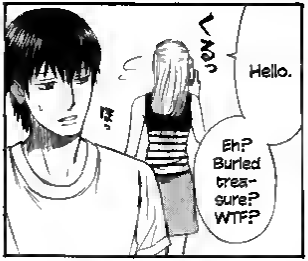
KUNI-KIDA.
YE-AH?
LIM.
.....
WE TALKED ABOUT GOING FOR A DRINK WITH EVERYONE, BUT THIS TIME WE THOUGHT IT'D BE NICE TO HAVE IT "BOYS ONLY"
HOW ABOUT IT?
I'M SOR-RY.
I HAVE PLANS FOR TO-NIGHT.
REALLY? WITH YOUR GIRL-FRIEND?
WELL, YEAH.
SOME-THING LIKE THAT



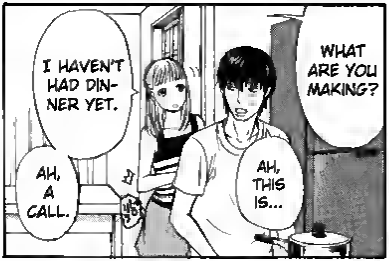
2



EH? ONII-CHAN,
YOU'RE HOME ALREADY?



Hello.
Eh? Buried treasure? WTF?



I HAVEN'T HAD DINNER YET.
AH, A CALL.
WHAT ARE YOU MAKING?
AH, THIS IS...

That's like a dream come true!
Two hundred billion yen, hun-

ONII-CHAN
OK.
SPRING

HEY? WHY?
SHARE SOME
HUH? IT'S NOT OPENING
WHAT WERE YOU MAKING EARLIER?
NATSUKO'S HUNGRY, YOU KNOW

HMPH
SO, YOU'RE HAVING IT BY YOURSELF.
STINGY.
Glad I locked the door
I-don't want that tragedy
to happen again.
I knew about doing it with this,
even before I knew how to masturbate

STEP.8: KONJAC

When masturbating using a kanjac,

boil it as warm as your body temperature to simulate a woman's warmth Then put a hole in it, put it in, and rub one out. As simple as that.

Cut it up small and put it in a tube

Roll

Horizontal

But, there are various ways of cutting a hole out, each of them delivers a different sensation.

and everyone has their own preference

なるほど…

Drill a hole in the center

Vertical

I'm just a beginner

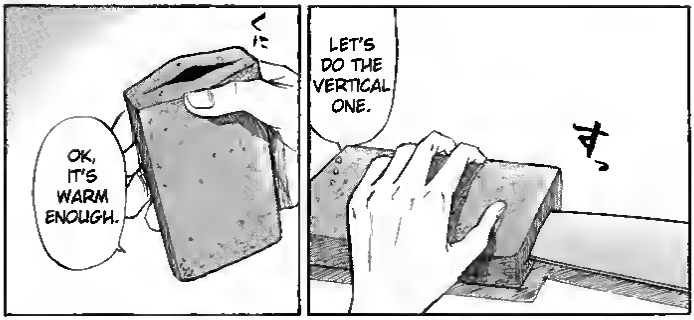
So I'll just try the simple way

Hands

There are also various ways of rubbing

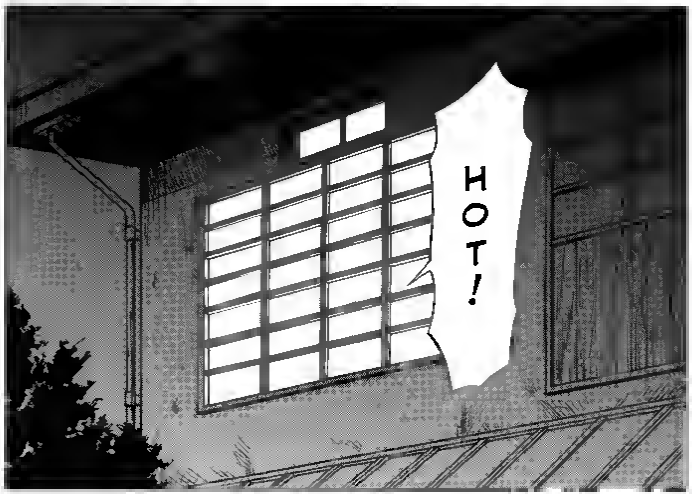
Hold it in a rolled-up futon

Fix it in a sock or a cylindrical object

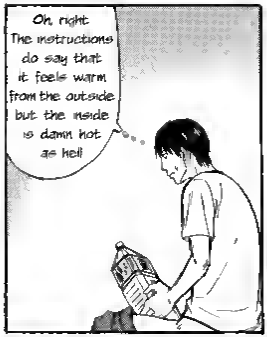


OK, IT'S WARM ENOUGH.
LET'S DO THE VERTICAL ONE.

LET'S DO THIS.
I'm already erect from the excite-ment



HOT!



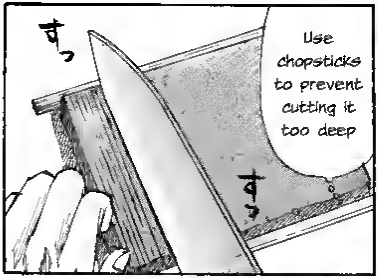
Oh, right. The instructions do say that it feels warm from the outside but the inside is damn hot as hell

水道水

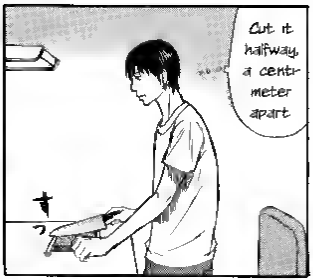
Water!
Hot!
Hot!
IT'S BECAUSE YOU'RE EATING BY YOURSELF.
YOU DESER-VE IT.

If it's like this...

I'm gonna cut it thoroughly.



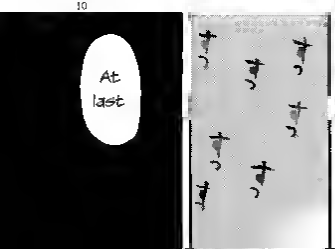
Use chopsticks to prevent cutting it too deep



Cut it halfway, a centimeter apart

Gotta careful
Cut it finely

Truly a match against time
I have to finish before it gets cold



At last

WHAT MAGNIFICENT GAPS.
Now, roll it up and fix it in a cylindrical object.
Ooh...
It looks like **it**

Oh those ahead of me, excuse me for not trying them all
No matter how I try to improve my methods, it all comes back to this shape

12

Tonight
I will immediately use it.

It felt that good using only my hands
Let's see how good this will feel
